Regent Tradition Conference 2009

Work-Wise: Making Sense of the Other Six Days

Paul Stevens and Dr. Bruce Waltke: April 4, 2009

Work is something everyone – or almost everyone – does, even if it is without remuneration. We spend most of our waking hours doing it. But what does it mean? Does it bear any connection with the coming of the Kingdom of God – even if it is not a stated Christianity ministry? Why work at all? And why work hard or heartily? And how can we go about integrating our faith with our daily work? These are the questions Bruce Waltke and Paul Stevens will be addressing from both the Old and New Testaments, especially the passages that express the wisdom of God on matters of daily life. Early Bird Discount effective until: March 20, 2009. See conferences.regent-college.edu/tradition.
